To Whom It May Concern:

We would like to highly recommend Above and Beyond Home Inspections for any home inspection needs. We have worked with this company for both personal and professional needs.

Above and Beyond Home Inspections was courteous, extremely knowledgeable, timely, and thorough. They helped in negotiations of a property we were going to personally purchase and it was through their report, we were able to re-negotiate on purchase price. Items were brought to our attention that we would not have been aware of otherwise and would have been very costly to repair.

The education obtained by their staff is exemplary and they continue to meet and go above state standards. We have been very pleased with all transactions and would like to highly recommend them for any home inspection needs.

Sincerely,

Charlotte and Raymond Krasinski
